580 CC

The 580CC will give you the best impression with its capabilities and the sport design. Its modern hull and the spacious deck make it ideal for a good time in sea. Also, the comfortable seats in the aft and stern are enough for your family and your friends at the same time (cushions optional equipment). An ergonomically designed center console makes your rides in rough seas much easier, while smartly providing additional storage space beneath.

Add to the above the five-year guarantee and the credibility of an Olympic boat and you will understand why the 580CC is first in its category.

580 CC

◀▲ The wide console provides adequate space for instruments, glove box for your personal belongings and a large storage compartment underneath.

Swivel seats, side shelves for small things, beverage holders, grab handles and deck lights are only some of the features that make the 580 CC a unique boat in its category. ▼

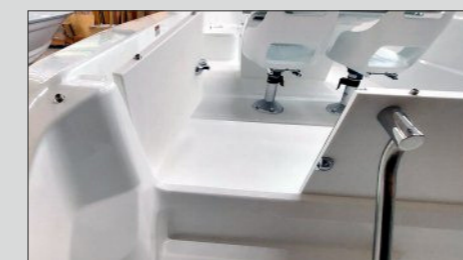

▲ For even more comfort and luxury add the cushion sets from marine grade vinyls (optional equipment).

The bow is quickly and easily converted into a large bed for sunbathing and rest (optional equipment). ▼

◀ The swivel seats slide- and height-adjustable, so that the position can be changed according to the body type. Moreover, sport bucket seats can optionally be fitted with flip-up for comfortable driving also in standing position. ▶

Access from the rear is easy and with safety. ▲

Beneath the seats, ample storage space is available with locking option. ▶
